### **Small Group Lessons**

Group lessons can be a wonderful introduction to golf.

Sessions last 1 hour and consist of 2+ students.

This is a fun way to learn with family, friends and co-workers.

### **Golf Instruction by Series**

Individual Instruction in a series is great for Lesson Progression.

Series can be taken in 3 sessions or 5 sessions.

## Playing Lessons

Playing Lessons are a great way to get on the course to apply swing concepts learned on the Lesson Tee, or plan different strategies to play difficult holes.

Do you always Double Bogey the Number One handicap hole?  
Let's design a different way to play the hole to give you a better chance at Par!

## Custom Club Fitting

Proper equipment is a key essential for playing the game to your potential. There are so many club options to choose from, let's help you pick the clubs that would be best suited to you and your game.

## TrackMan & Video Analysis

Technology can be an important part of analyzing your swing.

Launch Angles, Swing Speeds, Ball Speeds, Spin Rate

Along with Video Analysis, having "The Numbers" can help us fine tune you and your equipment.

Learn in a comfortable group environment.  
Schedule a group lesson with family, friends or co-workers.  
Each session is customized to fit your skill level.  
Great way to start learning the great game of Golf!
