HOW to DRAW flowers 101

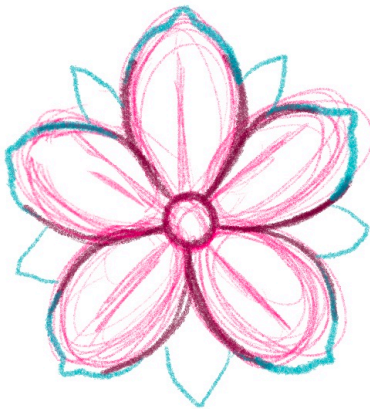

Start with a basic
5 star shape and a circle

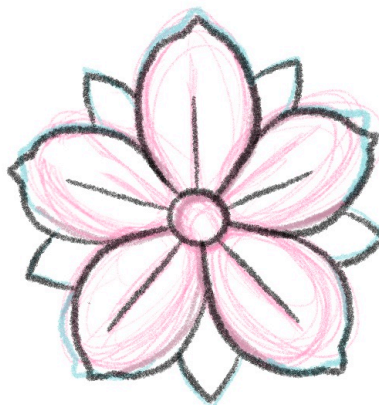

Loosely add 5 petals,
not perfect yet!

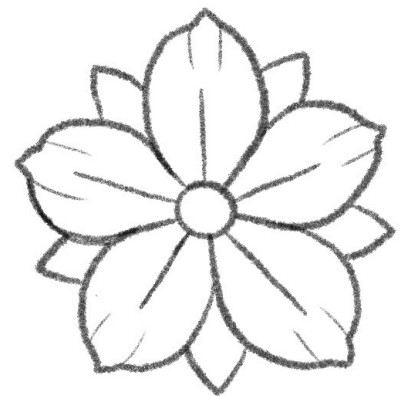

Start to perfect just the
round parts of the flower, adjust
Spacing between petals

Add the tips of each petal,
More adjusting of each petal
same shape and size,
Add leaves

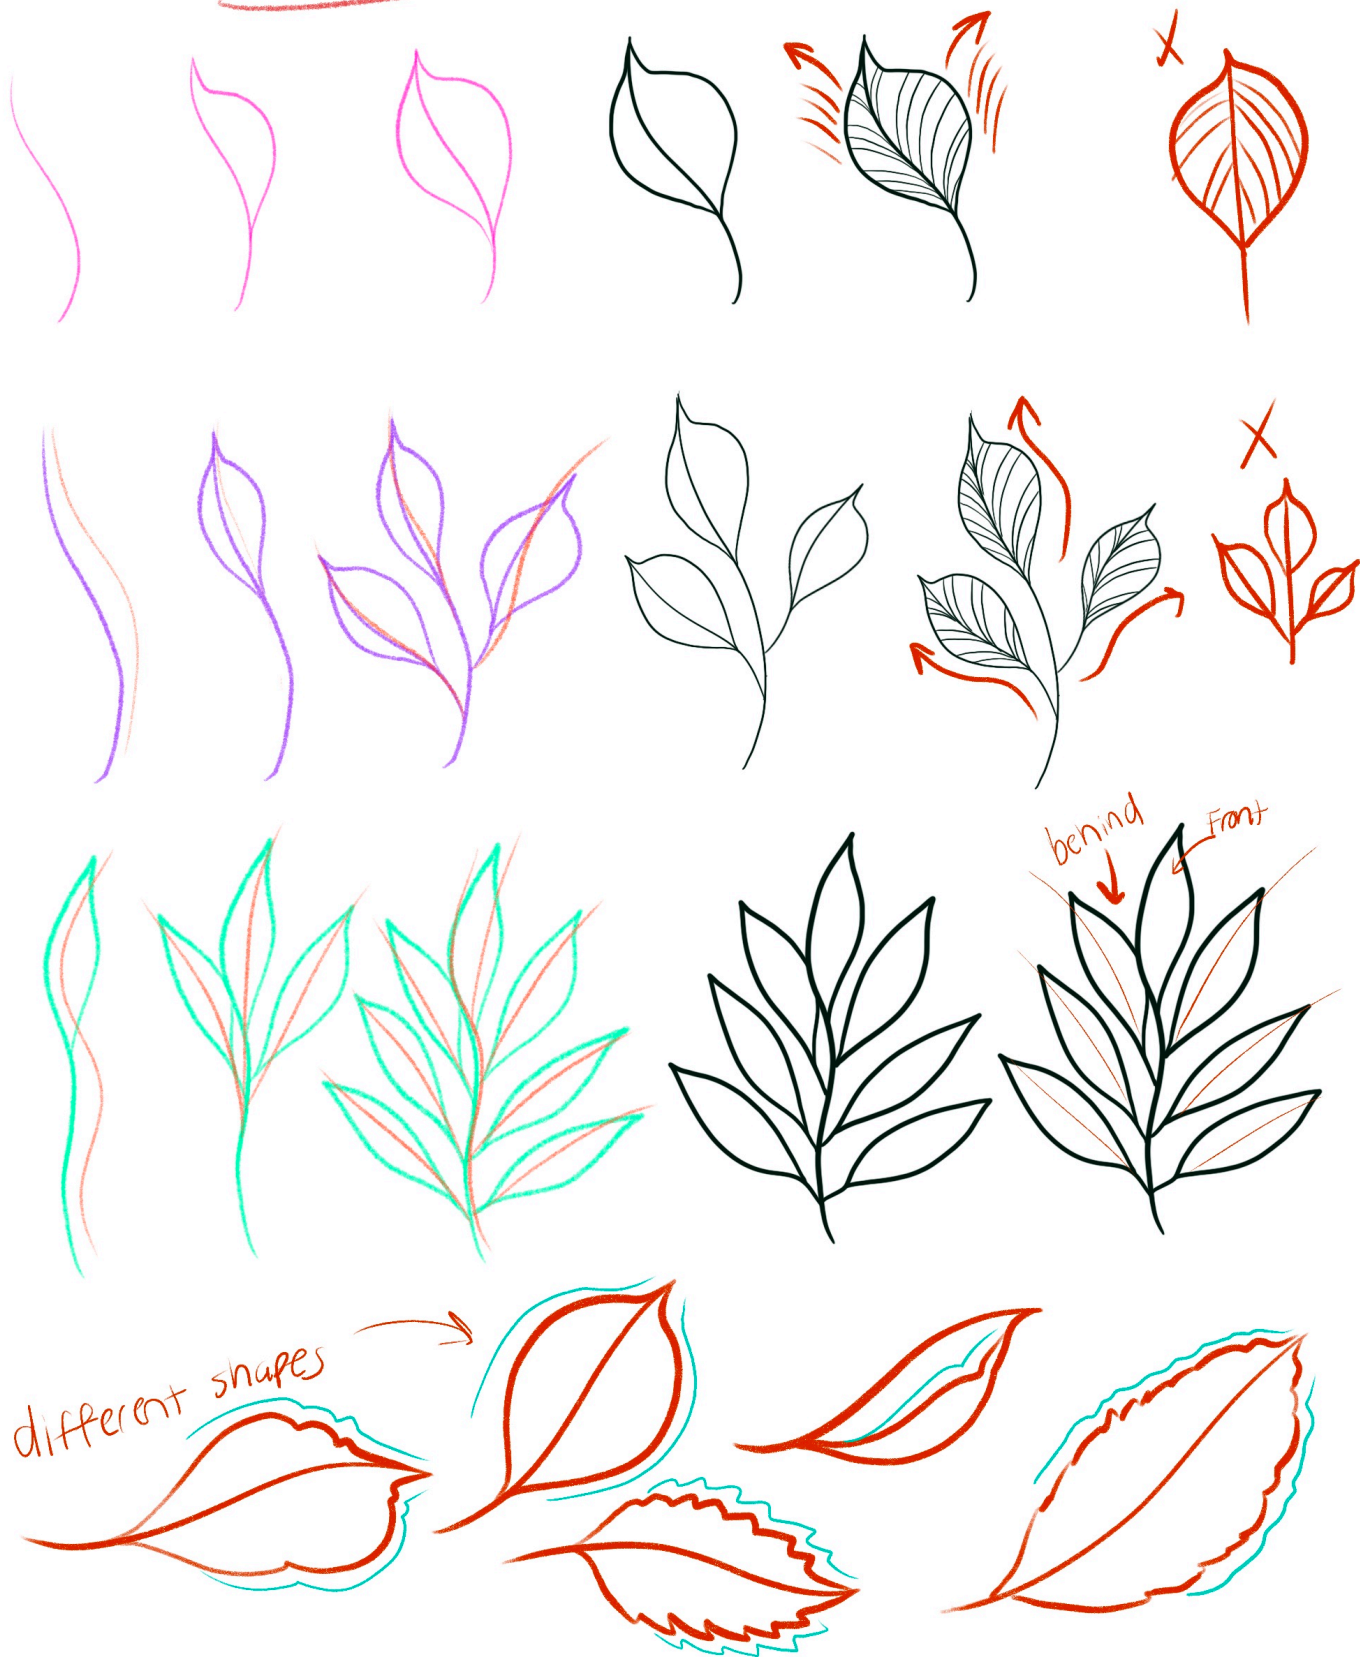

with a darker pencil,
Start to define and perfect each
petal, tip, and leaf

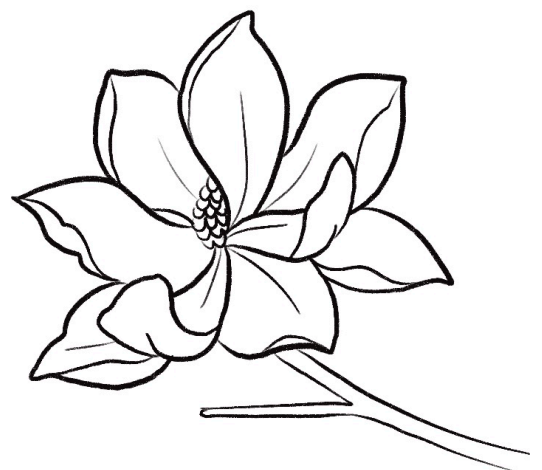

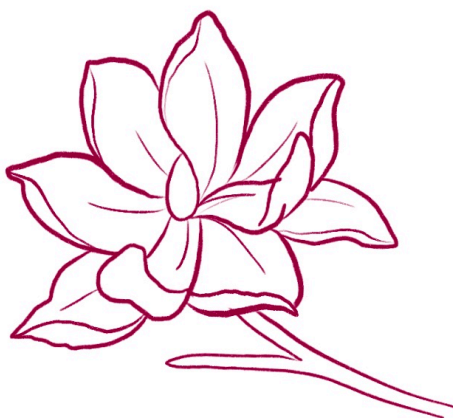

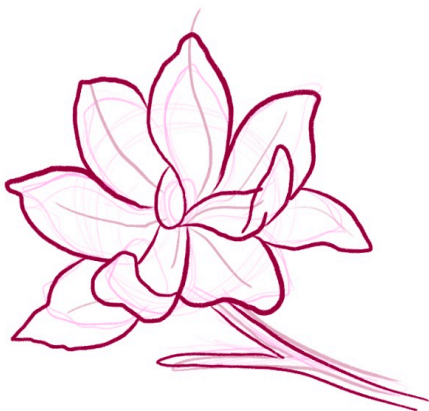

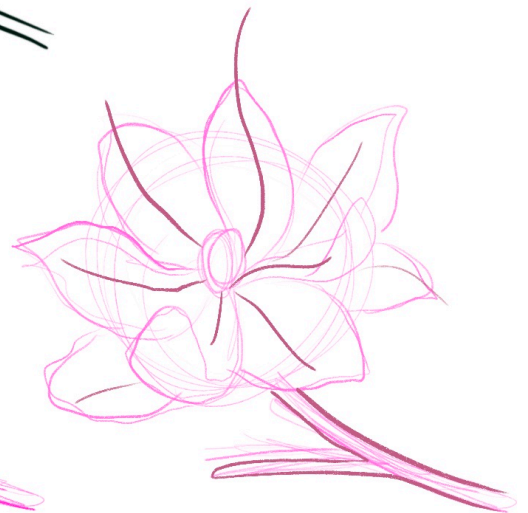

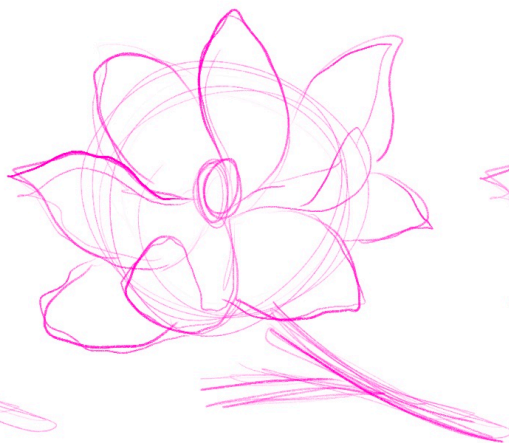

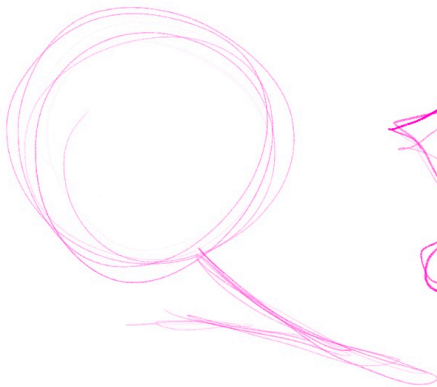

With a micron, pen, or dark
Pencil, outline the refined
version, simply
With no mess!
