# Weekly Newsletter

## | GiveBigKern

emPOWERment is being featured on GiveBigKern to help fundraise for supplies, events, and more which will not only help at-risk youth and survivors, but also help us spread the word on what human trafficking is and what people can do to help change it for the better.

## | Human Trafficking Brunch

emPOWERment and the Bakersfield Senior Center hosted a human trafficking donor appreciation brunch to bring awareness to our community about human trafficking. This brunch was also meant to raise money for the emPOWERment foundation in order to continue the work and progress we accomplished last year. You can donate today to our website or on [givebigkern.org](https://givebigkern.org).
