POP UP LED LIGHTBOX.

TEX-BOX Folding Lightbox range
is fast and convenient to
install, and helps you stand
out from everyone else.

The busy exhibitor's
new best friend!

FAST FOLDING PATENTED FRAME.

No frame pieces! Simply unfold
the Lightbox frame and
insert the SEG fabric graphics
- You're ready to go!

INTEGRATED LED LIGHTS.

Powerful LED lights provide
over 20,000 hours of bright &
even illumination & has a
pre-installed transformer.
Simply plug in and switch
on to illuminate.

LIGHTWEIGHT & PORTABLE.

Freestanding and portable.
The complete Lightbox display
folds down into a compact size
and fits inside the specially
designed transport case
for easy transportation.

PROTECTIVE TRANSPORT CASE.

Delivered in a convenient
carry case with protective
foam inserts and a carry
handle to aid transportation.

SEG PRINTED GRAPHICS.

Custom printed SEG graphics
effortlessly slot into the
frame channelling
to reveal a tensioned
Lightbox display.

MAGNETICALLY LINKABLE.

TEX-BOX Folding Lightbox
can be magnetically linked
in a straight line to form
a custom LED Lightbox
display wall.

INTERCHANGEABLE GRAPHICS.

Replacement graphics are a
cost-effective and convenient
way to refresh your fabric
Lightbox with new
campaigns and promotions.
