

Refund Policy

Unfortunately, we cannot accept returns of prescription products for reuse or resale, and all sales are final.

As a patient/client of HydraLife LLC, you are consenting to receive prescription or over-the-counter medications for weight loss or obesity.

No guarantees of individual results will be given. Results will vary based on your age, activity level, diet, medical history, among other factors.

No guarantee is made that the medications prescribed to you will not cause side effects that may prompt you to discontinue your medication.

We, HydraLife LLC, do not issue refunds for discontinued medications due to intolerable side effects. All purchases and prescriptions are final.

I am aware of Refund policy and that all sales of packages, consultations, prescriptions by Lindsey Smith CRNP and/or HydraLife LLC are FINAL and nonrefundable.
