

MĀ'ILI BIBLE HIGH SCHOOL

September 9, 2026

Dear Parents and Caregivers,

It has been a great start to the new school year. The students are becoming more familiar with their routines, and I appreciate the effort and attitude many of them have already shown. It has already been a blessing to see your child learn and grow in the short month we have already been in session. As schoolwork becomes more challenging, consistent habits will play an important role in each student's success.

Homework and Assessment Preparation

Please encourage your child to complete every homework assignment carefully and bring it to school each day, and organized in a way that is easy to retrieve. Homework reinforces what was taught and helps identify areas in which a student may need additional support. Students should also prepare in advance for quizzes and tests.

Parent/Caregiver's Signature

Periodically (usually weekly), your child will bring home a stapled group of graded quizzes, tests, assignments, and other papers. Please review the papers with your child, sign where indicated, and have your child return the signed papers by the stated due date. Your signature lets me know that the work has been seen and discussed at home. If you have questions about a grade or your child's progress, please feel free to contact me (808-230-7805). The bottom of this letter will serve as a signature.

Thank you for your support and partnership. I am encouraged by the beginning of the year and look forward to seeing each student grow academically, personally, and spiritually. Working together, we can help your children build strong habits and have a successful school year.

Sincerely,

Jamie Bumanglag
