

## Werewolf Repelling Ring with Silver Disk Insert

**Silver:** Is a well known Werewolf repellent and will even kill a werewolf!

**Item Description:** Made from a USA 50-Cent piece and infused with a pure Silver Disk that is pure enough to repel any Werewolf, no matter how old!

This 50 Cent piece which symbol of poise, verbosity, and calmness is embedded with a Pure Silver Disk made with silver that was mined from a secret location in Eastern Europe. The ring is then cut and re-forged into the beautiful piece of jewelry you see in the Earthworks Display Box!

***Pictured:** Pure Silver Disc imbedded in the Coin before The Re-Forging.*

This ring is great for keeping Werewolves away while you are camping or just going for a walk in the moonlight!
