

## Cusco / Machu Picchu Peru 2025

August 30 Saturday) - September 5 (Friday)

This mission is designed to bring Medical/Dental care to the remote communities of Cusco, Peru. We will be focusing on communities that are off the tourist trails. This is going to be a unique and rewarding mission. We will work in 3 different remote communities, each in desperate need of Medical and Dental care.

We have set up the mission so that you should arrive Saturday early in the morning (no later than 10 am) in Cusco, and you will have a chance to see a bit of the world-renowned Plaza de Armas. Your flights home can be scheduled Friday morning

We will stay Saturday in Cusco, Sunday in Pisac, Monday, Tuesday and Wednesday in Ollantaytambo, and Thursday back in Cusco. We will be working in clinics Sunday, Monday and Tuesday.

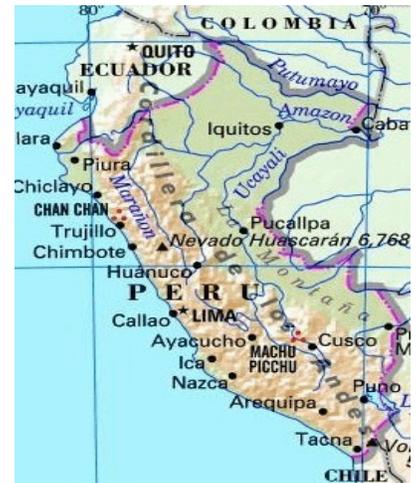

Wednesday morning we will have the privilege of visiting the famed Wonder of the World, Machu Picchu, and Thursday we will go on an adventure exploring the incredible beauty and culture of the Andes Mountains.

### August 29th Friday -Depart the USA

Flights from the USA usually arrive late at night. Depending on your arrival time, you may have time to stay in a hotel overnight (not provided). It may be best, if your flight arrives around 4am Saturday morning (as some do), to consider staying in the Lima airport, which is clean and safe, until your connecting flight to Cusco.
