

Guyana / Amazon 2019

March 2nd (Saturday) – March 9th (Saturday)

The great Amazon stretches into eight countries, one of which is Guyana. This unknown country is a paradise for nature lovers & adventure seekers. Besides the amazing wildlife there is a vibrant, indigenous culture which this mission has targeted. The people are hospitable and friendly and you will find the 4 unique Guyana lodges. Part of the adventure, in the Rupununi portion of the Amazon, is exploring the lodges and the surrounding villages. Four days of **Medical/Dental Clinics**.

The team will assemble in Georgetown, the capitol of Guyana.

March 2nd Saturday – The mission will begin at 8:00AM with breakfast followed by a short mission day seeing 50-100 Marriott employees. Lunch at the Marriott followed by a tour of Georgetown city or an alternate tour for people that have seen Georgetown.

March 3rd Sunday – Breakfast at the Marriott then early transport Ogle Airport for flight in a chartered Cessna 208 Caravan to the village of Fairview located in the heart of The Iwokrama Conservatory. We will be staying at the Iwokrama Conservatory River lodge. We will get ready for our medical mission and enjoy the Authentic Amerindian dinner at the lodge. Caiman spotting by canoe this evening.

March 4th Monday – All day **Medical/Dental Clinics** in Fariview Amerindian Village. At 2:30 PM we will depart by Open bed Bedford truck for Atta Canopy Jungle lodge in the heart of the Iwokrama Conservatory. We will arrive right before sunset and hopefully hear the surrounding noises of the Jungle as it wakes up for the night.

March 5th Tuesday – All day **Medical/Dental Clinics** in Surama Amerindian Village. We will wake up at sunrise and hike through the jungle to the Panorama Jungle Canopy. After breakfast we will travel by Bedford truck to Surama Village for an all day Medical/Dental Clinic. After completion of this day we will be transported to Annai Amerindian Village and start our three day stay at the Rock View Lodge.

March 6th Wednesday – All day **Medical/Dental Clinic Annai Hospital**.

We will spend the entire day seeing patient's in Annai and enjoying the hospitality of Collin Edward at the Rockview Lodge.

March 7th Thursday – Second all day Medical/Dental Clinic Annai Hospital.

March 8th Friday – Early In the morning, we will once again travel by chartered Cessna 208 Caravan to Kaieteur Falls. This is the highest single drop waterfall in the world!

After our tour to Kaieteur we will return to Georgetown and relax at the Marriott Hotel. Your afternoon will be free to either relax by the pool or explore Georgetown.

*In the evening we will have our finale going away party and conclusion of the mission.

March 9th Saturday – Connect for Flights back to USA or continue on travels elsewhere
