

Belize Mission

Placencia – Santa Cruz

March 22 (Sunday) - March 28 (Saturday)

This mission is designed to bring medical/dental care to the people of Southern Belize and the migrant workers from Honduras & Guatemala. We will work three days in Santa Cruz, Belize. Our patients will come via buses and plantation transportation to our clinic. We are expecting 350+ daily.

We will be staying the town of Placencia, Belize. You will have a Thursday as a free day for snorkeling, scuba diving or chilling out on the beautiful beach in front of our hotel.

March 22nd Sunday Belize City Airport – Group Meeting 2:30pm at the domestic counter. We leave at 3:30pm from BZE to Placencia (PLJ) via a regional carrier ‘Maya Airline’. They fly a Cessna 208B Caravan (see photo). It is roughly a 28-minute flight with great views. We fly as a team so everyone must plan to arrive in Belize City Airport by 1pm Sunday.

In Placencia the team will be staying at the Miramar Apartments.
