El Salvador Medical Mission

April 9, 2027 (Friday) - April 16, 2027 (Friday)

Much of El Salvador is poor in the rural area and has limited access to medical and dental care. We will focus on bringing hope and healing to the poorest of poor in El Salvador.

El Salvador may be the smallest country in Central America, but it's certainly one of its most charming. Less touristy than its neighbors, El Salvador is rich in natural beauty, pristine beaches, countless volcanoes, many Maya ruins, a great culture, and a rich history.

We will be providing 4 days of free clinic to the poor people of the Santiago Nonualco, and San Juan Nonualco La Paz communities.

During the mission clinic days, we will be staying at a quiet Pacific Ocean beach resort with a pool, that is located on a beautiful black sand beach.
