

LOOKING FOR GUARDIAN HOMES

We are currently looking for a few wonderful **Guardian Homes** for select poodles in our breeding program. A Guardian Home gives a special dog the opportunity to live as a loved family pet in their forever home while remaining part of the Pookies Poodles breeding program.

WHAT IS A GUARDIAN HOME?

The dog lives with **you as part of your family** - enjoying everyday life, walks, cuddles, holidays and all the love and attention of having their own home. Pookies Poodles retains breeding rights for an agreed period. When the dog is needed for breeding, we work closely with the Guardian family and arrange what is required. Once the dog has completed their breeding career, they are retired and remain with their Guardian family permanently.

WHAT WE LOOK FOR IN A GUARDIAN FAMILY

- A loving, stable, permanent home
- Commitment to excellent care, nutrition and regular grooming
- A family willing to keep in close contact with us
- Comfort with following our Guardian Home agreement
- A home within reasonable travelling distance of Pookies Poodles
- Most importantly - someone who will love and treat the dog as a cherished family member

WHY BECOME A GUARDIAN HOME?

Being a Guardian Home can be a wonderful opportunity to welcome a **carefully selected, quality poodle** into your family while becoming a special part of the Pookies Poodles program.

NOW ACCEPTING GUARDIAN HOME APPLICATIONS

Please send Pookies Poodles a private message and tell us a little about yourself, your family, your home and your experience with dogs.
