

Greetings!

We are Ken and Christina Smith and our calling is to help strengthen and save marriages through our ministry, Everything Together. We are hosting our annual event “**Join the Journey**” to raise funds to sustain our programs. ET is a 501c3 non-profit organization that encourages, equips and empowers people to build and sustain healthy relationships through **one-of-a-kind, couple-to-couple mentoring and small group experiences.**

We are proud to announce that this year’s **fundraising event will be held on Monday, November 4th at Northside Christian Church in New Albany, IN.** Last year we raised over \$40,000 and have ministered to over 100 families, **and with YOUR GENEROSITY we plan to raise the funds to be able to help hundreds more.**

Life is built on relationships and relationships can be messy. **The ripple effects of divorce and broken relationships are having a tremendous impact on families in our community.** Your employees, co-workers, neighbors and friends may have unresolved hurts that can lead to mental health issues, stress, depression, anxiety, work absenteeism, financial issues and more.

Everything Together helps people experience victory even in the struggle of life by growing closer to God and closer to each other. **We are ministry partners with Eastside Christian Church and Northside Christian Church in Southern Indiana. When YOU partner to help improve the relationships in the home; the positive effects will be significant within YOUR workplace and community.**

By sponsoring this event you can have a generational impact on your community and the families who call it home. See the enclosed list of sponsorship levels and **MAKE YOUR CHOICE to help SAVE A MARRIAGE and KEEP FAMILIES TOGETHER.**

We are humbled and grateful for your support. Contact Ken Smith at 502-836-3437 or ken@everythingtogether.org for more information on how **YOU CAN HELP!** **YOUR partnership** with this ministry is **helping build healthier families in our community.** Sincerely,

Ken and Christina Smith
