The Quarterly Wrap-up Newsletter - January 2025

Happy New Year!!

We appreciate your business, continued trust and loyalty.
Thank you for choosing Integrity Pool and Spa for all your pool needs!

Help us Help you!

Maintain the life of your pool and potentially save on chemical costs by draining your pool every two years.

Pool Drains are also a perfect time to schedule Soda Blasts and Filter Cleans so you are all ready to go for summertime!

During the winter months we go on a liquid only dosing of chemicals in your pool, this helps save you money on tablets and save your waters health due to the byproducts in the chlorine tablets.

(Please contact the office if you would like to be added to the schedule!)

Heaters and Solar Covers

If you are interested in a new heater or cover please reach out to us so we can get you a quote!

You are subject to a Service Call Fee to turn on/off the heater for renters and or personal use if it is out of your normal service cleaning day.

Reminder - Covers must be removed on your service day or only the chemicals will be Read/Dosed

Get your pool updated!
