

APOTHEEK
PHARMA CONSULTING

WE TAKE CARE
OF YOUR BUSINESS HEALTH

WWW.APOTHEEKCONSULTING.COM

What can we do for you?

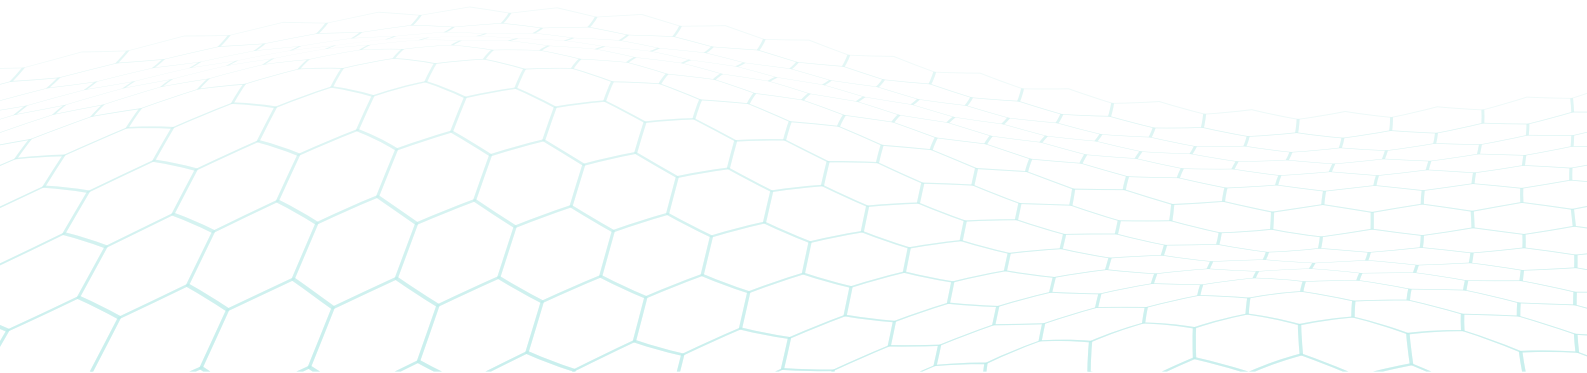

We make your results happen.

Why do we do that?

Because our motivation is to promote the human and corporate fulfilment with social responsibility and ethics, the human value of self-development and constant improvement of our self. Because our commitment is with people, so make results happen.

Purpose

We exist because we dream in creating and building based on personal and corporate development, sustained in human values to inspire personal growth results within the corporate world.

Who are we?

Engagement: Our engagement is with ourselves, and so with you and your real needs.

Honesty: We will tell you what can be done and what it can't be done, your needs it's what matters to us.

Consent: We inspire by giving example. We promote personal growth, social and organizational, and we work with all person and company dimensions.

Responsability: We are responsible of ourselves as much as of what, why and how we do things.

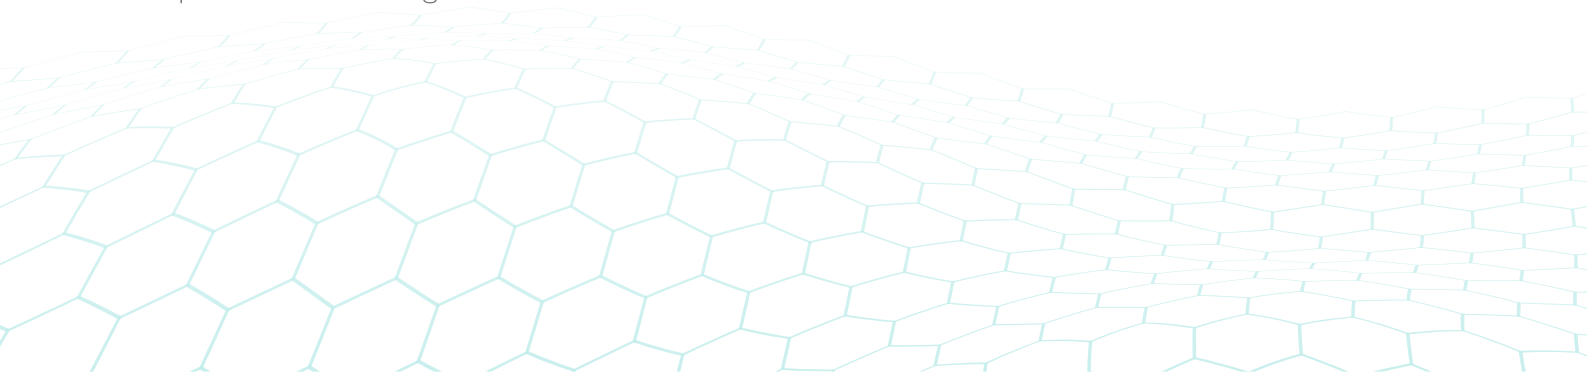

Love: We love what we do, and so we'd like you to do so.

Generosity: We need to be generous with your commitment to improve.

What and how we do it?

Apotheek Pharma Consulting provides a variety of services for clients within the generic business in **HealthCare** (Pharma sector), with large expertise in **Cosmetics, OTC and Consumer**.

Our experience is based on our extensive network of contacts in this industry as well as a comprehensive knowledge of the different **pharmaceutical markets in Europe**, with main focus on Spain, thus enabling us to feel confident to be able to solve the individual needs of our clients.
