Performing arts programs are vital to nurturing life-building character traits and discover God-given talents through exploration of diverse artistic forms. Consistent exposure to various engaging avenues of artistic expression via drama, dance, vocal and instrumental music, visual arts, and movement activities allows students to thrive in the classroom setting and beyond.

---

**“Praise Him with the sounding of the trumpet, praise Him with the harp and lyre, praise Him with timbrel and dancing, praise Him with the strings and pipe, praise Him with the clash of cymbals, praise Him with resounding cymbals.” Psalm 150:3-5**

## *Why Performing Arts?*

Afterschool Performing arts program provides a creative alternative and outlet and allows

\*students to discover and develop their unique purpose and creativity through engagement in a broad spectrum of the arts

\* students advance their academic skills by having an outlet for energy before beginning homework and after school studies or assignments

\*students to improve physical fitness and move towards a healthy lifestyle through active participation in a variety of artistic and movement based activities.
