To:

We are the Monarch Grove PTA Board. Each year, we support hands-on learning in music and art for all grade levels, a school garden, off site field trips and incredible on site assemblies... just to name a few! With your efforts, alongside ours, we plan to boost these programs. In the aftermath of COVID-19, we are trying to make the most of things reopening. Our goal this year is to rebuild our school community and bring the magic back to the elementary school experience.

We are reaching out to you to ask for your support of our school and the many amazing programs that we are able to offer. It is because of businesses like you and your generosity that our PTA can support our staff and students to the extent that we do. We are happy to say that your full donation amount goes directly towards supporting the students at our school and with our “extra-curricular” educational experiences.

We hope that we can count on you and your support this year. After two tough years of COVID-19, we have realized that our students need our school, teachers, and activities more than ever. We want to make sure that we can continue to provide this same level of support and hopefully expand it as well.

Please feel free to reach out with any questions or if you have any support that you wish to provide outside of a monetary donation. We enjoy working with our local community in any way we can.

Thank you,

MG PTA Board
