President's Message

Hello Gold Coast Bonsai!

Last month's meeting on grafting was a real eye-opener...Jesus lead us through the details of grafting and provided excellent knowledge and demonstration of techniques.

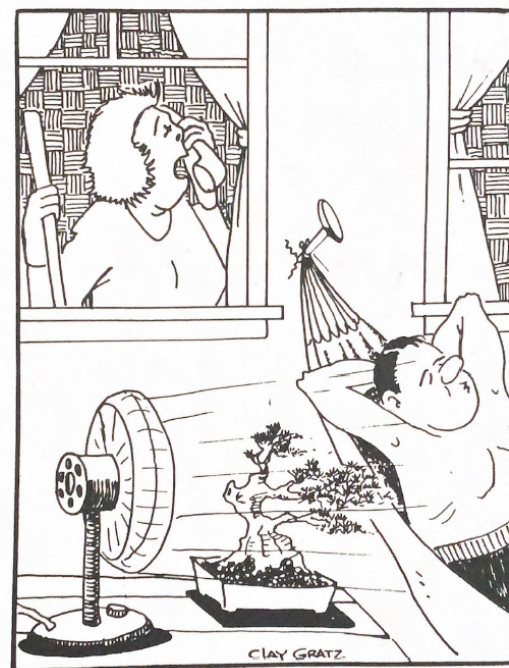

GCBS board members Alicia (the membership chair) and Marlena (VP in charge of scheduling and programs) each received certificates of appreciation for their work in making GCBS as good a club as it is. Also, Bob Yahrling received an award at this year's BSF convention in Orlando for his buttonwood. He was kind enough to bring the display to last month's meeting.

This month's meeting will be a bring-your-own-tree workshop hosted by current club member Charles Michelson. In addition to being the treasurer for GCBS, Charlie is one of the most soft-spoken, yet knowledgeable people in the club. He'll be able to help members with their trees and field any questions you have. Bring your best tree or your worst tree: it will leave in much better shape (and might even become your new favorite).

We also have the GCBS auction coming up, so please set aside a few items for the silent auction. And please also think about what you can do to help support the auction—we can always use more help.
