President's Message

Hello Gold Coast Bonsai!

Please know that there was a great meeting last month, and the club members trees benefited from Toby Diaz, one of my favorite teachers/workshops we have from time to time.

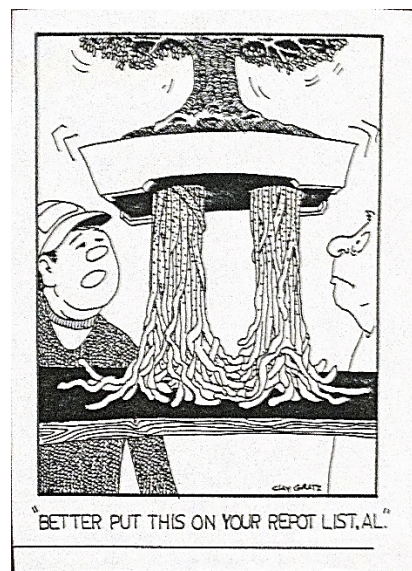

For this month's meeting, Jesus Brito will lead the discussion on grafting techniques. Jesus is one of the more skilled members of the club, and we are looking forward to learning more about the art of grafting from him. He will demo thread and approach grafting. If time allows we will also explore ground layering, and proper techniques, and other questions.

As always we appreciate donated items for the club. Also please bring a formal display tree, with a stand and companion.

Hope to see you on Saturday!

Lee

Lee Stockdale, President
