Dr Sam Calvin is an experienced consultant forensic psychiatrist trained in Melbourne. He has qualifications in Psychiatry and Medical Law.

He has held senior appointments at Forensicare, Victoria and more recently in the ACT where he was the Clinical Director of acute psychiatry at Canberra Hospital.

Dr Calvin has recently relocated and established a private practice in NSW after being appointed a member of the medical support panel to assist the workers compensation nominal insurer Icare.

He specialises in forensic psychiatric assessments, treatment and rehabilitation of highly complex individuals in the justice system.

Dr Calvin has considerable experience providing expert psychiatric testimonies in Victoria and continues to assess clients through Victoria Legal Aid and Corrections Victoria. He is also appointed as a panel member to assist Corrections Victoria with supervision orders.

He is involved teaching and research through his ongoing association with University of Melbourne.
