November—December 2022

Hello all!

We hope you had a wonderful Thanksgiving, Christmas season, and a Happy New Year! We were wide open in November! We were at the Heart of Georgia Camp Meeting , then off to Temple Baptist Church in Jacksonville, North Carolina. Pastor Johnson was having an annual pig picking that Sunday with Pastor Manley Parry preaching, and invited us to come sing while we were there to look at the church building for repairs. We had a great time soul winning the Saturday before and even got run off from Walmart for inviting folks to church and giving the gospel. That Sunday, we had someone come to Christ as well as several visitors. We handed out 700-800 flyers with an invitation to the event and the gospel on it , but not one person came from the flyers. Yes, it did seem a little disappointing , but some visitors came from looking up churches on google or just curious and stopped by. It reassured us of one thing: if you put in the work for God, it does not go in vain. He sees the effort and rewards. He still sent people in, and one got saved!

The Sunday of Thanksgiving week, we stopped by Carmel Baptist Church with Pastor Brian Smith, and gave an update. We sure do appreciate their faithfulness to support us! We had a wonderful service, fellowship and meal! Thank you for having us in! The following week, we gave a presentation at Liberty Baptist Church with Pastor Gary Berry. One got saved that morning! Praise the Lord! We enjoyed the fellowship, and getting to know the people there at Liberty.

A huge highlight the last two months was a trip I took with Brother Craig Bryan, our outreach president, to Wilburton, Oklahoma! God has been so good to me in giving me tools, experience, and knowledge in construction that I can use for Him. We went out to OK to assist in renovating one of our church plants, getting it ready to be used. This was an old church building situated in a not so good part of town. The old church had the windows busted out and was being inhabited by drug addicts. We are praying they'll come back once the church opens! It was a blessing to see the people in the community excited to see the building being renovated back into a church! We built two bathrooms, started on a sound booth and nursery, built two rooms on the platform and built the pulpit and alter area. We had people in the community stopping by and asking if we needed help, then promising to come when it opens. This Church is already meeting at the local VFW and soulwinning, and is pastored by

Pastor Mason. There is not a good church in the area. and we are expecting God to do amazing things in this town! Please pray for this town and Genesis Baptist Church.

December was a bit slow for us. It was a blessing to be able to spend some time with our family for the holidays! I want to thank God for being so good to us this year, protecting, providing, giving us more to do for Him. At the start of this year, we made the decision to go full time in mission helps even though we were not at full support. We are still working on support, but God lacks nothing! He has been so faithful to our family! Please pray for us in the coming year for a couple needs in the tent ministry, church planting ministry, safety and provisions. It has been such a joy to look back at this year and see how God has worked in every aspect of our lives and supplied! To God be the glory, GREAT things He hath done!

***“Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.” Matthew 9:38***
