

**FREE ONLINE TUTORING AND MENTORING SUPPORT FOR BPS STUDENTS!**

Boston Partners in Education matches BPS students with experienced mentors to help improve academics and confidence.

Any BPS student in grades 2-12 is eligible to be matched with a mentor through our [Independent Learning Support program](#) in any school subject.

Mentors meet with students online, for one hour a week, to help with classwork and homework.

To learn more about the Independent Learning Support program or to sign your student up for the 2022-23 school year, visit: [bit.ly/IndependentLearningSupport](https://bit.ly/IndependentLearningSupport)
