

DAILY TABLE

A nonprofit community grocer dedicated to providing affordable and nutritious food to communities most in need

Daily Table is a nonprofit community grocery store. Our mission is to provide fresh, tasty, convenient and nutritious food to communities most in need at prices everyone can afford. Our stores empower people to eat well with the power of their own dollars, offering a helping hand rather than a handout. 1 in 3 Massachusetts residents (1.8 million adults) is having trouble putting food on the table, according to a new report from the Greater Boston Food Bank.

Our stores provide a wide selection of SNAP-eligible foods, including fresh produce, grocery staples and made-from-scratch prepared foods. All of the food we sell is SNAP eligible. SNAP customers get an additional 50% off on fresh fruits and vegetables (up to a \$5 discount per day) on our already low prices, through the Double Up Food Bucks

ers, and other and make it SNAP budget.

er their means!

SHOP

Every dollar spent at Daily Table stores allows us to provide nutritious food at affordable prices.

VOLUNTEER

Volunteers are critical to our mission and help support our store teams in serving the needs of our customers. We're always looking for volunteers!

DONATE

As a nonprofit, we rely on gifts to help keep our prices low. If you're able, please consider donating to support our mission.

WORK WITH US

We're always looking for hire from the communities in which we operate. Check out our website for our open positions!
