Get Some Great Family Portraits...

... AND SUPPORT LEE ACADEMY WHILE YOU DO IT

I'm Mike Ritter, and I'm a **LAPS parent** who has run **Mike Ritter Photo** in Dorchester for 18 years. I made the school portraits at LAPS since the Fall of '20. This spring I will offer **family portraits** and **donate 50% of the profit to LAPS**.

In quick 15 minute sessions, I'll make classic posed portraits and also capture fun and spontaneous portraits. Whole family, various smaller group, and individual portraits are possible. You'll get one password secured personal link with all edits of your family from which you can purchase as **photos, products, and downloads**.

You can **sign up for your time slot here** with the access code **LAPS_Spring23_FamilyPortraits**. Please sign up for one slot on photo day **Saturday 6/3**, and if you can, one slot on the **rain date Sunday 6/17**. If you'd like and are able, you may make a **donation** under the 6/2 slot (\$20 is suggested) - no photographs will be taken on 6/2 (it is a donation placeholder).
