

We will have a pop-up bookshop courtesy of Frugal Bookstore.

The first 50 families to arrive at Math and Literacy night will receive \$10 to spend toward a purchase.

## Math and Literacy Night

Tuesday March 21

5-6pm

Lee Academy 25 Dunbar Avenue Dorchester, MA 02124

## MATH

Please join us at the school for Math and Literacy night!

You and your child will engage in some games and activities that reinforce math and literacy skills.

We'll have some materials for you to take so you can play the games at home.

Come see how you can help your child learn while you play!
