

Class Information

COURSE STRUCTURE

Year 7

UNLOCKING YOUR
POTENTIAL POWER

T2

- Integers
- Numbers and Decimals
- Angles
- Probability
- Algebra and Equations
- Area and Volume
- Analysing Data

T3

- Fractions and Percentages
- Geometrical Figures
- Ratios Rates and Time
- Probability
- Revision

\$ 6 0 0 / T E R M

Year 8

BUILDING FOUNDATIONS
FOR FUTURE SUCCESS

T2

- Algebra
- Harder Graphs and Equations
- Measurement and Pythagoras
- Numbers and Financial Maths
- Ratios and Rates
- Angles and Geometry
- Interpreting Data

T3

- Angles and Geometry
- Coordinate Geometry
- Geometrical Figures
- Probability
- Revision

\$ 6 5 0 / T E R M

COURSE STRUCTURE

Year 9

EMPOWERING MINDS,
UNRAVELLING PROBLEMS

T2

- Year 8 Revision
- Numbers and Surds
- Harder Algebra
- Coordinate Geometry
- Trigonometry

T3

- Trigonometry
- Statistics
- Proportion
- Financial Maths
- Simultaneous Equations
- Revision

\$ 6 5 0 / T E R M

Year 10

CHARTING PATHS TO NEW
FRONTIERS

T2

- Year 9 Revision
- Quadratic Equations
- Probability
- Surds
- Coordinate Geometry
- Further Equations

T3

- Trigonometry
- Logarithmic and Exponentials
- Polynomials
- Circle Geometry
- Revision

\$ 7 0 0 / T E R M

*At Accel, we strongly believe that Integration and Differentiation should be taught alongside each other for better results, hence both is taught in Year 11

COURSE STRUCTURE

Year 11

**CEMENT YOUR
KNOWLEDGE FOR PRELIM**

2U

- Methods in Algebra
- Numbers and Surds
- Functions and Graphs
- Probability
- Trigonometry
- Coordinate Plane
- Exponential and Logs
- Calculus*

**IN ADDITION TO ABOVE: 3U
CLASSES WILL COVER:**

3U

- Harder applications of Calculus
- Series and Sequences
- Harder Graphs Transformations
- Introduction to Year 12 methods

\$700 / TERM

Year 12

**FINAL SPRINT FOR BAND 6
IN HSC**

2U

- Series and Sequences
- Harder Graphs and Equations
- Curve Sketching Methods
- Harder Calculus
- Applications of Exponential and Logs
- Trigonometry Function and Applications
- Interpreting Data
- Financial Maths

**IN ADDITION TO ABOVE: 3U
CLASSES WILL COVER:**

3U

- Vectors
- Projectile Motion
- Differential Equations
- Binomial Distributions
- Continuous Probability Distributions

\$800 / TERM

Fees/Schedule

Term 2 2024

Note: All classes are 1.5 hours each, with homework booklets provided

Year 7*

Mondays
5-6:30 pm
