The Robinson Family Reunion

July 1, 2022 ~ July 3, 2022
Notasulga, Alabama

Welcome Robinson Family,

As Mayor of the Town of Notasulga, I extend a warm greeting as you gather for your family reunion.

I am pleased that you have chosen our small Town of Notasulga as your location for your family reunion. The Town of Notasulga, incorporated on February 7, 1893, is home to several historic and cultural resources that include Camp Watts, Notasulga High School, a Rosenwald School, Shiloh Missionary Baptist Church and also the birthplace of author Zora Neale Hurston. We are *"connecting the charm of the past with the promise of the future"*.

I applaud you for setting special time aside to join with family, and to spend this moment with one another. After more than a year of separation and isolation due to COVID-19, families are now reuniting and picking up where they last left off.

Best wishes for a successful and memorable reunion.

Very truly yours,

We are glad you choose to stay with us! You've joined us at a great time- all of our Japanese Maples are about to bloom and there's plenty of color to make your Spring start with a smile! It is our goal to make our guest feel at home while they are here. So please, kick back and enjoy the swing overlooking the pond with our friendly Geese. Or sip your coffee on the front porch while rocking in one of our many rocking chairs.

Before you start really relaxing, we do have a few things to cover:

1. We ask that you respect all private property signs.
2. The horses are adorable and very friendly. Please do not feed them. You are welcome to pet and take pictures with them. Please do not enter the pastures.
3. Feel free to ride down to the ponds and fish for a while. There's always a pole ready and waitin' for ya.
4. Just in case you need to check your Instagram, the WIFI login/password is on the table.

5. You have access to everything in the specific spot you are lodging. You are welcome to look around, please be respectful of restricted areas.
