All rates are based on surveys conducted in a single day. Multiple-day surveys will incur additional charges.

All boatyard charges for hauling. Blocking, pressure washing or other yard services will be the responsibility of the vessels Owner, Broker or Prospective Buyer.

A signed survey agreement must be completed prior to scheduling any services.

Payment is required in full prior to the survey and can be made via Cash, Venmo, Zelle or PayPal. Survey will not be released until payment is received. If paying by check, reports will be held until check has cleared. Survey Reports are typically available within 3-5 business days of the survey. All reports will be delivered via email in a PDF format unless otherwise requested and agreed upon.
