

NAWIC PRESENTS MORROW CRANE TOUR

TRAINING CENTER

Morrow Equipment Company boasts a state of the art training facility with courses that include tower crane safety and inspection, tower crane technician, construction hoist safety and inspection, NCCCO (National Commission for the Certification of Crane Operators) tower crane operator and NCCCO rigger/signalperson. The Salem yard also has a fully erected and working crane. We will tour the facility, shop and yard. PPE will be provided for the shop and yard portions.
