A Message from the President

March is here & the sun is starting to shine a little bit more every week and were just days away from the start of WIC Week. There are some great events scheduled from all Chapters. A lot of events are virtual which is allowing us to participate with other Chapters we would never of had a chance to attend. Our Chapter has put together a great calendar of events for WIC Week, I would like to see if each one of our members can commit to bringing at least 1 guest to a WIC Week event and take lots of pictures and share it on your social media pages, don't forget to #nawicsalem and #wicweek2021.

I look forward to seeing all of you during WIC Week! Let's all Rock this Salem!

What We Do

Upcoming Events

- **WIC Week:** Sunday, March 7th through Saturday, March 13th. We have several fun activities planned, some virtual and some in person (with Social Distancing, of course). See attached flyer for details.
- **NAWIC 101:** Monday, March 8th @ 6:00pm on Zoom. This will be a quarterly event for all new and potential new members. However, ALL members that want to join to either help answer questions or learn more about NAWIC are welcome to attend. Please reach out to Juli Foscoli at juli@southtownglass.com for Zoom information if you would like to join us.
- **Board Meeting:** Tuesday, April 6th @ 5:30pm. This will be a virtual meeting. All are welcome to attend. Please reach out to Julie Davis at julied@pence.net for Zoom information if you are interested in attending.
- **General Meeting:** Wednesday, April 21st at 5:30pm. If you would like to join us, please email Julie Davis at julied@pence.net for call in information.
- **Santiam Canyon Rebuild Coalition - Shed Build:** Saturday, March 6th and 13th with an 8:00am start. Meet at 22057 Emma St in Lyons. We will spend 2 Saturdays in a row building sheds and getting them set up on affected properties. The fire's impact to the canyon has been devastating and this is one way that you can help. Please reach out to Juli Foscoli at juli@southtownglass.com for more information or register to volunteer at <https://forms.gle/Lvrisj3Kdfgzwtui8>. See attached flyer for more details.

CTEC Minority Luncheons

The CTEC luncheons are going virtual. We had some great presentations to the girls last year and the school wants to build on that momentum. We are in the process of setting up a planning meeting. The planning meeting will consist of all the female teachers from the male dominated classes at CTEC (Construction, Manufacturing, Drones, Auto, and also Ag), the school's counselor, and NAWIC. We should be having a virtual meeting later this month, to collaborate ideas on how best to have this virtually and what we would like to cover to help these teenagers navigate career choices within male dominated classrooms and fields. Email Juli Foscoli at juli@southtownglass.com if you would like to participate.

2 What We Have Done

Meet & Greet Virtual Meeting with Portland and Eugene Chapters

Our February General meeting was a Meet & Greet with the other NAWIC Chapters in Oregon. It was great seeing everyone. We did a virtual scavenger hunt and spent time getting to know each other a little better. Hopefully, we can do more of these in the future.

March Board Meeting

On our March Board Meeting, we had the privilege of having Ellen Miller (bau Oregon) and Tess Milio (CFM Advocates) join us to discuss upcoming OR legislation, specifically HB 2419 and SB 493, the new OR Prevailing Wage Bills that affect women in construction. SB 493 will have a work session next week, March 9. If you would like to engage in the process, here is a [link to the agenda](#).

If you would like to join this walk (also slow paced, beginner level), email Tracy at: tracy@agsadowski.com so we can get a headcount. We will meet by the carousel and walk over the taco bridge and through Minto Brown's paths along the river.

Thursday we will be joining the entire Pacific Northwest Region for a giant Zoom Party! Lauline Mitchell will be our guest speaker and there will be some fun games to follow.

Friday will cap off our week with a tent to tent pub crawl downtown, Salem. Check out the flyer for this event and email Julie Davis if you want to join us! julied@pence.net

Saturday is not on the calendar, but there may be a volunteer event happening up in the Santiam Canyon to help put together a prefabbed shed, on site, at a victim of the wildfire's property that is trying to rebuild. See attached flyer for details.

If you participate in ANY of the in-person events, NAWIC National is requiring a 2020 COVID Attest Statement Liability Waiver be filled out and returned to the person leading the event, when you arrive. We will provide copies at the events to be filled out. We will need to strictly follow the rules of wearing masks and socially distancing as much as possible during these in-person events. We know the mantra, right? SAFETY, SAFETY, SAFETY!
