A Message from the President

Hello NAWIC Members & Welcome September! I hope everyone is staying healthy and staying away from the COVID. Everyday our lives are changing, and new rules are being put on us. Through all of this I hope that all of us keep doing what we need to do to keep our Chapter going. On the 15th is our installation of the incoming Officers/Board for 2021-22 and our Chapter Group Photo that we need to update ASAP, that requires all members to attend and be present to get it done, but it is also very important for all of us to support & encourage our member's especially now and our Chapter is great at that.

We have the coast retreat coming up on September 24th -25th in Pacific City. If you haven't registered but want to attend, email me. October 14th & 16th is the Fall Conference in Tacoma, I encourage everyone to attend these they are very educating, lots of fun and you meet so many other members from all over and create new friendships while networking. I look forward to seeing everyone on the 15th for the installation. I hope September brings everyone good health & happiness.

Julie Davis, President
Salem, OR Chapter #198

CTEC Minority Luncheons

The CTEC luncheons are going virtual. We had some great presentations to the girls last year and the school wants to build on that momentum. We are in the process of setting up a planning meeting. The planning meeting will consist of all the female teachers from the male dominated classes at CTEC (Construction, Manufacturing, Drones, Auto, and also Ag), the school's counselor, and NAWIC. We should be having a virtual meeting later this month, to collaborate ideas on how best to have this virtually and what we would like to cover to help these teenagers navigate career choices within male dominated classrooms and fields. Email Juli Foscoli at juli@southtownglass.com if you would like to participate.

Specialty Contractors Council Spotlight Series – Hybrid Meeting...in person or via Zoom. Starting in September, the SCC will be putting on a “Spotlight” series that features a different AGC general contractor member each month.
