Karen is the latest addition to our popular jumpsuit collection. We designed this stylish, strong, sexy jumpsuit with a classic cut and added details for superior styling and fit. The figure-flattering patterned stretch fabrics are designed to fit curves easily and are the ideal example of a modern "all-in-one" piece. Karen will become your go-to chic piece for all occasions. She's so stylish that being called "Karen" might become a compliment.

The cross-front neckline, shirring at the shoulder, and cap sleeves make this floor-length jumpsuit feminine and sweet. An elastic waistband with a self waist belt gives you ultimate comfort and ease of movement. Side-seam pockets are always handy for your phone or any other essentials.

The Kathy Jumpsuit is inspired by the days when things were groovy! She is a nod to vintage style with subtle prints and solids, but is all about modern wearability. This piece is designed for maximum movement, with a cropped wide leg and elastic waistband. Kathy is super comfy thanks to the soft fabric and classic button front.

The collared neckline and button-front blouse provide a polished look, while the cropped wide-leg adds a laid-back vibe. This jumpsuit is all about comfort and style with a flattering elastic waistband and side seam pockets. Kathy has a cropped inseam so you can show off your favorite shoes! She runs true to size.

You know what you need? You need something sleeveless. You need vibrant prints, an elegant design, and deep solid colors. Something that radiates class, yet screams adventure.

You need something with a seam at the center front and center back, with maybe some hidden side pockets and a wide pant leg... yeeeah. Oh, and a one-piece. she's gotta be a one-piece — a jumpsuit maybe. It's alright, we know what you need. You need a Natalie.

The Natalie has a true-to-size fit. To achieve a relaxed fit and/or are in between sizes, be sure to size up.
