

# PADI Assistant Instructor

You have gone this far to be in the line of the professional. To become PADI Instructor, you need to undergo two portion of the Instructor Development Course (IDC). The PADI Assistant Instructor Course is the first portion of the PADI Instructor Development Course (IDC). You'll not only gain additional experience as a PADI Professional but you'll also start learning the PADI System of diver education.

As a **PADI Assistant Instructor**, you'll be qualified to:

## WHAT CAN PADI ASSISTANT INSTRUCTORS DO?

- Teach academic presentations under the indirect supervision of a PADI Instructor
- Evaluate Open Water Diver surface skills under the indirect supervision of a PADI Instructor
- Teach the PADI Peak Performance Buoyancy Specialty course
  - Teach Project AWARE Specialty courses
  - Conduct PADI Discover Scuba experiences
- Teach Emergency First Response after successful completion of an Emergency First Response Instructor course

# PADI ASSISTANT INSTRUCTOR

## PADI ASSISTANT INSTRUCTOR

Assistant instructor (AI) course is a 3 to 4 days course designed to prepare PADI Divemaster or equivalent to become PADI assistant instructor. This course begins the PADI instructor development process and is scheduled during the first 4 days of the Instructor Development Course (IDC). The PADI

Assistant Instructor rating authorizes you to function as an instructional assistant and independently conduct certain PADI programs. Successful completion of the AI course also qualifies you to participate in the open water scuba instructor (OWSI) program. Combination of AI course and the OWSI program into a continuous program makes up the entire IDC.

## COURSE FEE (PERSONALISED COURSE) 1 OR 4 PER INSTRUCTOR) CERTIFICATION COURSE

You have several training options and flexibility for reaching your professional goals depending on your current certification level, experience level, time restraints, etc.

### OPTIONS INCLUDE:

PADI Divemaster may choose just to attend the AI course first and later on after gaining more experience go on to complete the OWSI program. PADI Divemaster may attend the full IDC and, upon successful completion, go on to the IE (as long as all other IE prerequisites are met). A FREE IDC Preparation-Study and Prep Workshop is optional but highly recommended for everyone. Your preparation is the key to success.

### Requirement

- Be certified as PADI Divemaster or hold a leadership level certification with another recreational diver training organization.

Be at least 18 years of age.

Be fit for diving and submit a Medical Statement for a diving medical examination conducted within the past 12 months from the start date of the IE must be signed and state Fit for diving ( PADI medical Statement Form recommended).

Have been a certified diver for at least six months and have completed and logged at least 60 open water scuba dives (100 logged dives to attend the IE, except as noted below), as documented in the individuals log book and have documentation of experience in deep, night and navigation.

Submit proof of CPR training within the past 24 months.

Submit documentation (photocopy) of any qualifying certifications issued by another recreational diver training organization.
