

The Way the World Learns to Dive®

# PADI DIVEMASTER

## YOU'RE IN CHARGE!

Your first step into the professional levels of recreational diving begins with the PADI Divemaster programme. Work closely with a PADI Instructor to expand your dive knowledge, develop your leadership abilities and hone your skills to the professional level. As a Divemaster you'll be able to supervise dive activities and assist instructors with student divers.

As a Divemaster your diving knowledge needs to be second to none. Achieve it with the comprehensive materials that accompany this course.

# PADI Divemaster

Take the first step in your dive career and become a PADI Divemaster. Working closely with PADI Instructor, you'll expand your dive knowledge and hone your skills as you become a dive professional. PADI Divemaster training develops your leadership abilities by training you to supervise dive activities and assist instructors with student divers.

For those of you looking to join the leaders of the pack, look no further. The PADI Divemaster program is your first step of leadership level in the PADI System of diver education. This rating denotes you as a person who:

## **PADI Divemaster has:**

- A high level of personal diving skill.
- instructor level knowledge of diving theory.
- had significant training in how to assist an instructor during training activities.
- Is able to assume appropriate responsibilities that benefit the welfare of other divers.
- In other words, you're the cream of the crop and we want you!

## **As a PADI Divemaster, you'll be qualified to:**

- Organize, conduct and supervise recreational diving activities, both land and boat based.
  - Assist PADI Instructors in conducting PADI Diver programs.
- To qualify for PADI Divemaster training, you'll need to:
- Be certified as a PADI Advanced Open Water Diver (or equivalent).
  - Be certified as a PADI Rescue Diver (or equivalent).
- Have logged a minimum of 40 open water dives prior to entry into PADI Divemaster training, and completed and logged a minimum of 60 open water dives with experience in night, deep and navigation prior to certification as a PADI Divemaster.
  - Be at least 18 years old.
  - Be in good physical condition for diving and submit a medical exam form signed by a physician.

## **WHAT CAN PADI DIVEMASTER DO ?**

- Work at local dive centers, on live – on board dive boats, yachts and exotic locations
  - Assist PADI Instructors with students
  - Lead PADI Scuba Divers on guided dive tours
    - Teach and certified PADI Skin Divers
  - Teach PADI Discover Snorkelling programs
- Conduct PADI Scuba Review programs for certified divers
- Lead certified divers on Discover Local Diving experience.
- Conduct Discover Scuba Diving programme for non divers to the max depth of 12 meters (DM must complete DSDL requirement)
- Teach Emergency First Responder programs after successful completion of an Emergency First Responder Instructor course
