Quotelos Travel always recommends that travelers purchase Trip Insurance, which will cover many cancellation situations, as well as any unfortunate medical condition/injury which may arise while you are in Germany (see your individual policy documents for specifics.) However, with many insurance providers, total trip cancellation due to pandemic events such as the Covid-19 virus may not be viewed as a covered situation. Quotelos Travel includes a cancellation policy below. Please be sure to read this policy. This cancellation policy would apply if you need to cancel your registration prior to the tour. However, in the unlikely event that an incident such as the recent pandemic should disrupt our travel plans, Quotelos Travel may need to make the decision to cancel the tour if it is determined that travel would be inadvisable or impracticable. If this happens, we will do our best to treat our travelers as fairly as possible. Airlines may impose cancellation and change penalties. Some of our hotels may impose cancellation and change penalties, too. These fees may not be recoverable by Quotelos Travel, and as such, would not be refunded to you. Quotelos Travel cannot guarantee a full refund in the event of a cancellation, but we do pledge that any recoverable charges and fees would be refunded to you, regardless of our documented cancellation policy. Please consider this before you complete your registration.

- **CANCELLATION POLICY:**

Please consider trip insurance! Quotelos will refund all payment that we can recoup from our vendors, less a \$200 fee. The refund amount varies from vendor to vendor. Vendors generally include transfers/transportation, meals, hotel accommodations, and entrance fees.

- **AIRLINE TICKET REFUND:**

Please clarify refunds with the airline from which you purchase airfare.

- **HOTEL ACCOMMODATIONS:**

The hotels included in the tour itinerary offer comfort and value for category selected. We use hotels similar to Holiday Inn in the United States.

- **TOUR ITINERARY:**

We reserve the right to modify and/or change the sequence of the itinerary due to unforeseen circumstances, safety security and comfort of the passenger.

- **TOUR GRATUITIES:**

Our packages do not include tipping for bus driver. Suggested tipping: \$3.00 per person per touring day.

- **LUGGAGE AND PERSONAL PROPERTY:**

It is the passenger's responsibility to check the specific airline policy of liability for loss, damage or delay of checked baggage as well as the maximum allowance of weight per bag and number of checked or carry-on bags permitted at no cost and additional charges imposed by the airlines including excess baggage. Luggage and personal property loss or damages must be reported to the airline or ground transportation company at the destination. Quotelos Travel does not accept liability for loss or damage of luggage or personal property.

- **PHYSICAL ACTIVITY & HEALTH CONDITION:**

Most tours require walking that may include uneven and un-pathed surfaces, cobblestone streets, steps and inclines. Some days may include walking distances of 2+ miles. It is the traveler's responsibility to determine if they have the physical ability to participate and keep up with the normal pace of a group tour. The traveler must inform Quotelos Travel of any medical/health circumstances that may restrict their physical ability in any way whether joining a guaranteed departure tour, day tour or securing a private tour. The purchase of optional travel insurance is highly recommended.

- **PASSPORTS AND DOCUMENTS:**

Passport must be valid for at least six months from the date of scheduled return travel. **For visa requirements please contact the relevant Consulate for updated requirements. Quotelos Travel is not responsible if passengers are denied boarding or entry to a country for failure to provide proper travel documents.**

Your payment (deposit or full payment) for this tour indicates that you have read this statement and accept its terms.
