## BUSINESS OVERVIEW & BIO

Summer Ridge Investments seeks profitable businesses that can be passed on for generations. Many business owners are looking for their legacy to survive their exit. We build upon the success established in the foundations of your business. You can expect integrity, respect, and diligent efforts when working with us.

Tyson is an investment professional raised by entrepreneurs. He understands the grit it takes to operate and succeed in business. He has worked in private equity closing over \$500 Million of deals. He also has experience in property management, digital marketing, and manufacturing. He graduated Summa Cum Laude with a Master's in Finance and a Master's of Real Estate Development from the University of Utah. He is married to Ally with 2 little boys that he hopes to be able to pass his businesses on to someday.
