

# OUR MISSION

To provide employment for people with various disabilities in a supportive environment.

WE BELIEVE

## OUR PAST POINTS TO OUR FUTURE

Their smiles are contagious! You can see in their faces the positive impact Alliance has on each of their lives.

For more than 67 years Alliance has been supporting and lifting up these individuals. We hope you will join us in making a difference in their well-being.

Each and every person deserves the same opportunity. Today we are working hard for tomorrow's future!

We believe in the value of creating lasting opportunities for individuals with disabilities that give them purpose, fulfillment, and sustainable relationships for a bright future. Our purpose is to walk alongside our employees as beneficial members of society while providing beneficial services that fulfill the needs of the business community.

We provide structure and promote employee resourcefulness within a boundary of security. This approach helps them see their value, promotes positive self-esteem and enriches their life skills.

# OUR HISTORY

Our organization was established in 1954 as "Wee Haven" by parents as a school for children with special needs. As public schools began to mainstream special-needs children, the special-needs adults who remained needed something to do, so a workshop was developed known as DeKalb Association for the Developmentally Disabled, now known as Alliance Industries.

At Alliance Industries, we provide full- and part-time, meaningful employment for nearly 40 individuals with disabilities. We specialize in performing assembly and packaging work for area companies such as Rieke Corp., Dekko, SCP Limited, ZF Active Safety US Inc. and Eaton, to name a few.

Our goal is to serve the individuals and businesses of DeKalb County to the best of our abilities. We have outgrown our current facility, therefore we are excited about this next chapter of growth.

# Capital Campaign

The future at Alliance Industries is looking bright!  
With your partnership we will be able to:

## Increase Capacity

Currently, Alliance is at maximum capacity. With the building addition, we will be able to provide services to additional individuals. This will also allow us to socially distance employees as needed to provide a safe environment.

## Additional Partnerships

With the added building space, we will be able to increase production space. This will allow capabilities to partner with additional businesses creating additional job opportunities.

## Life-enhancing Programs

With the expansion, we will be able to offer more programs such as Culinary and Life Skill courses. These are critical in improving the overall quality of life for those we serve while allowing them to gain important life skills to become independent.

## Activity Center

We are excited about creating community involvement activities for those with disabilities. The Activity Center will allow capabilities for community outreach and encourage involvement.

# OUR PLAN

We are excited about launching our Capital Campaign, a \$500,000 community effort to support the building additions. The excitement of this dream coming to reality is growing and we couldn't be more honored to help those with disabilities have a brighter tomorrow.

We are asking our community members to partner with us. Every donation, no matter the amount, helps ensure our campaign's success. Each gift is an uplifting reminder to those with disabilities and the families, that their health and well-being truly matter to our community.

# WAYS TO GIVE

**Gifts of Cash:** You can donate through our website or send check payable to Alliance Industries (note Capital Campaign in memo)

**Gift of Stock:** Avoid capital gains with a gift of highly appreciated stock while taking a full-value deduction on your tax return.

To donate, go to our website at [www.AllianceIndustries.org](http://www.AllianceIndustries.org), use the enclosed pledge card or call us at 260.357.5595 to make an impact.

**WE BELIEVE  
TOGETHER WE CAN MAKE  
A DIFFERENCE!**
