Board Games: GHS Homecoming 2025

A great late summer, warm **Homecoming** week of September 22 through 27, was appreciated by all participants and spectators. This was the first one held at the **NEW Greenville Alumni Stadium**. This year’s theme for Homecoming was: “**Board Games – Greenville, Roll That Dice**”. Homecoming events were under the supervision of the Student Council.

The Homecoming Parade was held Thursday evening in its normal procedure. Forming at the old Marsh’s/LoBill’s parking lot, with the parade floats and entries proceeding on Martin Street to South Broadway, through downtown, north along North Broadway to Harmon Drive, then east to the Marling band Shell.

The Student Council chose longtime GHS teacher and coach, **Jeff Martin** GHS 1982, to be the Grand Marshal. Jeff attended Ohio State University and graduated in 1986. He worked in business in Indianapolis and in St. Louis for six years. He returned to Greenville and became a long-time substitute teacher from 1993 to 2001. He then taught the Title 1 Instructional Program at South School before moving to the new K-8 building when it opened in 2017. This is his seventh year working at the GHS Athletic Department and he has coached the Middle School Girls Basketball team for the past 14 years.

The Student Council has members from all four grades, and heads up Homecoming. 605 students attended this dance, which is the largest dance of the year. 2025-2026 Student Council at the Homecoming Dance, Saturday evening, September 27:
