# ENCOURAGEMENT FROM THE BOX

In this day we live, the evil we see and hear seems to be so prevalent. So what I hear in so many places I go is Jesus' return must be close because of the evil. I don't necessarily disagree, but I do know there's more to Jesus' return than delivering His children from the evil. I believe we're in a time that we need to get the sin out, which can consist of anger, self seeking, strife, etc.

Paul tells us in Ephesians 5:25-27, Husbands, love your wives just as Christ also loved the church and gave Himself for her. That He might "sanctify" and "cleanse her" with the washing of water by the word, that He might present her to Himself a "glorious church", not having "spot" or "wrinkle" or any such thing, but that she should be "holy" and without "blemish"

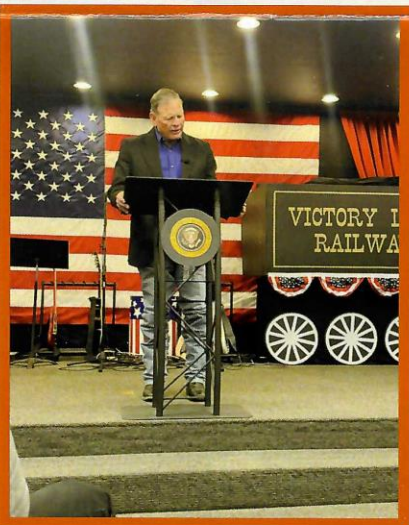

I firmly believe that we, as the children of God and His bride, have this sliver of time to make sure we're ready to stand before our Heavenly Father in the holiness He's provided. It's time to do some spiritual house cleaning! I don't want anything to remain in my life that I would be ashamed of and keep Him from saying to me, "Well done my good and faithful servant." There's no greater compliment one could receive from the God of Heaven and earth. Lord Bless You Today!

# ANDREA S ANECDOTES

Our path this summer has had some twists and turns off the beaten path. I think God leads us in this way at times to keep things interesting for us. In June we headed to the northwest part of the country. We had opportunity to minister at Word of Victory Church where we were ordained and sent out into the mission field 28 years ago. At Word of Victory, Jerry ministered an encouraging word. At the end of the service, we had opportunity to personally pray for all those who responded to the call for prayer.

On our trip back to Wyoming, we stopped at "River Ranch" in Greenleaf, Idaho, owned by Ken and Lynda Wood. Ken and Lynda planned and hosted a cowboy community outreach to local friends and neighbors. We ministered from the shelter and comfort of their beautiful indoor arena. After the service, they provided everyone with refreshments. It was a pleasure for us to not only minister into the lives of all in attendance, but to also "meet and greet" everyone after the meeting was over.

After this meeting, we had opportunity for another local outreach less than an hour away at the home of Bob and Paula Moulton. At BOTH of these outreach events, Bob and Paula blessed us with opening each service with awesome praise and worship before Jerry ministered the word. We have found these local outreaches enable us to speak into the lives of many who might never darken the doors of a local church.

Isaiah 55:11(KJV) So shall my word be that goeth forth out of my mouth: It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

I would like to remind all of you reading this that YOU also have a share in the harvest of everything we do, even though you are not physically present everywhere we go. We are so thankful any time we get to gather with local friends and neighbors to minister the word of god to them.

Upon our arrival home from the northwest, we had opportunity to minister at a hockey camp in Colorado. Our audience, if you will, at this camp included young men and women who aspire to improve their game while at the same time learn about Jesus, and how much they are loved by God. Our setting at this camp was at an indoor ice arena in Colorado. This was our 4th year at this camp, and we are always thankful to get to be a part.

During our time at home this year we had a wonderful opportunity to pray and share a word of encouragement at the cowboy bistro during Cheyenne Frontier Days rodeo. This opportunity allowed us to minister to contestants, along with some family members, in a more intimate setting of a designated outdoor dining area located on the grounds of frontier park.

The last part of July took us to "Granny May" arena located high in the rocky mountains of Estes park, Colorado. This location was a nice break from the heat of the valley and the plains of Wyoming. Cowgirl minister, Crystal Lyons, from Texas blessed us before Jerry ministered with cowgirl style praise and worship. Two cowboys responded to the call of salvation and we were thankful for those who came forward for personal prayer when Jerry gave them opportunity, at the closing of the service.

After Estes, we had just a short amount of time to stop at home and prepare for a trip to a small Wyoming town known as "Ten Sleep." In Ten Sleep, Jerry officiated for a family wedding of my side of the family. I had relatives who flew from Ohio, Michigan, and Indiana to attend this wedding. It was held out in a field on a local ranch in Ten Sleep, and the theme was western.

Having a cowboy preacher officiate was the perfect fit. And it was really nice for me to get to see my relatives on home ground here in Wyoming for a change. We are now focusing on the holidays which are quickly coming our direction. We will be attending church during this time at home and filling our spiritual tanks to prepare to head back out again after the new year.
