

COMMERCIAL SALES, REPAIRS AND DIRECT TV AUTHORIZED DEALER

Eastern Video Service sets the standard of excellence for customer service and support in the electronic repair industry. When your product needs inspection, repair or maintenance, we send Licensed and Insured Technicians. Eastern Video services Medical Facilities throughout New England. We sell and service **PDI Medical Equipment** and we are also a DirectTV Residential and Commercial Authorized Dealer. Please contact Franki Bolorin at (860) 899-1536 for more information regarding our services.

Eastern Video Service has been in business for over 31 years. Our business is an electronic sales and service company. We pride ourselves in providing hassle free, next day Repairs and DIRECTV installation and the best customer service (**next day install is subject to availability**). In addition to our residential offerings, we are pleased to also feature DIRECTV for BUSINESS. If you need service, Eastern Video Service is here for your needs. If your situation calls for a in person service, Eastern Video Service will send one of our professional trained technicians to your location to guarantee the task will be completed in a timely and efficient manner. Call and ask for Franki Bolorin!
