- Please speak to any AEW member or committee to extend your thoughtful contribution to any specific school or any area of interest of your choice.

SCHOLARSHIPS

The scholarship scheme is one that we hope will expand significantly in the future as it allows individuals to get involved directly, on a more personal basis.

The aim is to assist promising children whose families are known to be facing financial hardship, to continue their studies. The school is asked to nominate up to three children from each year level

- The contribution is currently \$200 per year per child which will ensure that these children have the essential items required to continue their education. The individuals or groups are hereby invited to sponsor one or more children with a commitment of \$200 for at least a year.
- Each sponsor will be linked to a child, who will provide an update on their progress 2-3 times per year, directly to the sponsor.
- AEW will ensure that your sponsorship funds are transferred to the children's savings account, on a monthly basis. A sum of around LKR 3,000 per month is currently proposed.
- Continuation of the scholarship will depend on the recipient child continuing to perform at an adequate level, which will be assessed by a panel of teachers and the sponsor, as well as AEW.

THE ANNUAL FUNDRAISING EVENT, AFTERGLOW, IS SCHEDULED FOR SATURDAY 21ST MARCH 2026

As in previous years we expect this to be our main fundraiser for the year as well as an opportunity to celebrate and enjoy an evening with good friends. The proceeds will go towards our current projects and others that may be identified later.

Please note the date and reserve a table (or more!) with your friends and loved ones. If you cannot fill a full table but would like to attend and support, please contact us and we will allocate you to an appropriate table.

As always, we thank you for your generous contributions and look forward to your continued support and participation. Your kind donations to this great cause are always appreciated.
