About the Event

Hosted by the [Georgia Pearls of Service Foundation, Inc.](#), in partnership with [Alpha Kappa Alpha Sorority, Incorporated® – Psi Omega Omega Chapter](#), A Kaptivating Affair is more than an evening of elegance and entertainment—it is an opportunity for sponsors to align with a powerful legacy of service and impact. This Roaring 20s–inspired gala will celebrate 10 years of community leadership while working toward a [fundraising goal of \\$50,000](#) to expand programs that make a measurable difference in the Greater Atlanta area. Proceeds directly fuel [scholarships that open doors for deserving students, mentoring programs that prepare the next generation of leaders, and community service initiatives that strengthen families and neighborhoods](#). By supporting this milestone event, sponsors not only gain visibility among influential community leaders and guests but also invest in meaningful change that creates lasting returns for generations to come.

Why Partner With Us?

Your sponsorship is more than a logo on a program—it is a direct investment in Peachtree Corners and the surrounding communities, as well as in families who too often lack access to critical healthcare, education, food, and other essential resources.

By partnering with us, your organization will:

- [Uplift Communities in Need](#)—Support scholarships, mentoring, and youth programs that engage students and families in Peachtree Corners and surrounding underserved communities.
- [Create Pathways for Opportunity](#)—Help fund community initiatives that provide health, wellness, and educational resources to those who need them most.
- [Leave a Community Legacy or Build a Legacy](#)—Join us in celebrating 10 years of impact and ensure that our work continues to grow, reaching even more individuals and families across Greater Atlanta.
