

"Who am I?" Ah, that's a great puzzle."

Let's find out.

What is something you love doing, that makes you light up inside?

Who do you talk to when you have a problem?

If you could live anywhere in the world where would it be and why?

If you could have one wish, what would it be?

How are you different from everybody else?

What do you like about yourself?

"Curisor and Curisor..."

"It's no use going back to yesterday, because I was a different person then."

What were you like a year or more ago?

What things are the same, what things are different?
