The Collins Place website
contains all HOA
governing documents,
instructions on how to
pay dues online,
architectural request
information, and more!

SUMMER HEAT / LANDSCAPING TIPS

As you know, this summer in Louisiana has been a hot one!

We recommend watering your grass, flowers, and other plants in your yard regularly to ensure your landscaping stays hydrated and healthy during these heat and drought conditions.

Please also be mindful that there is currently a burn ban in place for your area.

SPECIAL NOTE FROM BOARD OF DIRECTORS

Hi all, we're aware of some fish dying in the bank pond and have been monitoring it for a few days. With the heat and lack of rain, the lake needs fresh oxygen. If you have a sprinkler or hose in your backyard and don't mind turning it on, every little bit will help.

We have looked into aeration and it's not a quick or inexpensive fix. There are a few other hurdles we'd have to navigate if that route is chosen, too.
