This Week at Yes And Dog Training - August 27, 2025

## NEW & NOTABLE

A bit longer of a newsletter this week as we announce our new workplace program! This and past newsletters can be found [here](#) (click).

- **Airport Day** - Just a reminder that Airport Day training at DIA for service dogs is the **last Wednesday of every month!** We do need people to sign up a week before so that United Airlines (who sponsors our visit) and TSA can get gate passes set up. **Sign up and details here!**
- **REMINDER:** For scheduling, please reach out to our main line. Texting gets faster results: 720-826-4364 (4DOG). DO NOT USE PAW PARTNER to schedule. Thank you.
- **Review of accounts** - After leaving corporate, it's time for us to review our accounts. If you're on a payment plan, we may be reaching out throughout August to update payment status and request more information. If you have paid fully, no need to worry. Thank you for your help with this.
- **Events in Colorado Springs** - Hey wonderful clients in the Springs! We know the recent staff changes have made event planning (like therapy dog visits) a bit more challenging. Please know we've been working daily to bring find and plan opportunities closer to you — and even some of our clients are helping out! We appreciate your patience and support as we keep moving forward. Just know we are actively working on it, and we see you! 🐾🐾

## EXCITING PROGRAM ANNOUNCEMENT!!

We are excited to announce our "**Gold Rush Workplace Consulting**" (click) program. If you want to make your workplace dog friendly, and have partners to guide you through the process and be with you throughout, this is the program for your business!

In the Denver area, it is estimated that the average person spends \$500-\$1000/month to send their dog to doggy day care. By creating a dog-friendly workplace, you put money back into your employees' pockets and increase your bottom line! **Research shows that the combination of staff benefits, enhanced marketing, and an added value to your customers' experience leads to an increase in the bottom line!**  
**This can pay for itself!**
