## REMINDERS

[2026 Calendar](#) - We have updated our calendar for 2026 with additional events! [Visit our Calendar of Events page!](#) Airport Days occur the last Wednesday of every month! [Here is the sign-up for Airport Days 2026.](#)

### Reminder on Weather Policy

As a reminder, our policy for cancelling group classes or outdoor appointments is as follows:

We will do everything in our power to hold classes and training regardless of temperature unless it would be unsafe to do so for our staff, clients, or the dogs we train. Safety is always a priority! We would cancel outdoor training sessions (heel) and outdoor based group classes if:

- it is colder than 20 degrees outside at the time of the event;
- Or there is a warning in effect by the state or weather department advising people to stay inside and not allow their animals outside;
- Or there is such a high rate of precipitation at the time of the event that visibility and safety is of a concern.
- If the temperature is expected to be 90 or above, we assess conditions. We will usually, but not always hold class when it is 90-100 degrees depending on a number of factors (cloud cover, sunshine, ground temperature), but class may be shortened. If it is expected to be over 100 degrees, we will generally cancel class.

We will cancel all events for the day if:

- There is an advisory from the state, city, or county encouraging people to stay off the roads and not leave their homes for safety;
- And/or there are massive road closures due to a storm, weather, or construction conditions that inhibit trainers/clients from being able to reach their appointments/class in a safe manner.

Outside of these conditions, we do plan to hold all events, classes, and trainings as much as we possibly can so we're able to continue to serve our clients year round. Management does reserve the right to reschedule or cancel trainings and events as the need arises and do our best to communicate this as soon as we possibly can. The announcement is made via email and social media.

### R2S (Rescue 2 Service) Dogs!

**Lucy - A 9-month-old, 55 lb pit mix who will be perfect for PTSD service! She came from a home where there was no structure and some abusive tendencies. She is energetic, but a love bug! She gets along well with people and other dogs. If you know of someone who wants a service dog, she can be ready soon! She is spayed.**
