

# 2021 NEMRR Super Street License Application Guideline

This document has all the forms that you need to complete your license. Please read through this guide completely and fill out all parts of the application. If you have any questions, please contact us and we'll be happy to help!

**Please be sure that all forms are legible (this is important!)**

## **REQUIRED DOCUMENTS – required with all applications**

### **1. 2021 NEMRR Competition License Application**

We will accept emailed/faxed copies to get you entered. Please note that we will need you to sign them during registration at the track before you can ride (insurance regulations require us to have a signed original). Please note that all fields are required to be completed!

- a. If you are not participating in the Friday track day prior to the Saturday Super Street event you need to send in proof of your participation in a track day sometime in the previous 12 months.

### **2. Rider Medical & Emergency Contact Form**

Required for all riders.

### **3. Bike Profile**

You must submit this form to complete your profile and enable registration in the NEMRR system.

### **4. Parental Consent/Minor Waiver (if applicable)**

**IMPORTANT: Each parent/guardian MUST sign a separate form (two forms per minor). A SEPARATE FORM IS REQUIRED FOR EACH CHILD UNDER THE AGE OF 18 IN YOUR PARTY (COMPETITOR OR SPECTATOR).** The form MUST be executed by a Notary Public or signed the presence of an NEMRR employee. This is a TWO PAGE document that must be printed in color and properly signed on both pages.

## **NOTE: PLEASE DO NOT DOUBLE SIDE PRINT ANY OF THESE PAGES!**

Insurance Requires each sheet to be individually sent and double-sided printing makes the transmission process very difficult. Thanks in advance for your help.

# General Information – Please read carefully

- 1. Super Street eligibility.** This is simple – you must have completed a track day in the prior 12 months (the day before works as well). If you do not have track experience, please go to [www.penguinracing.com](http://www.penguinracing.com) and sign up for the Friday track day prior to the event you would like to attend and add Super Street to your Penguin registration on their site. They will handle your Super Street signup and your payment for the Superstreet Class. **All riders must provide proof of recent track day experience (within the previous 12 months) of the application.** This can be anything, a completion certificate, a receipt – anything that shows the date that you participated.
- 2. Numbers.** You need a white (front only) number plate area (about 10x12) and will use red numbers (available for purchase at the track). Please give us your top three choices for your competition number. A list of numbers that are already taken are on the last page of this packet. Please choose numbers that are not on that list.
- 3. Transponders.** All competitors need a transponder bracket on their motorcycle. These are always available at the track and attach with zip ties. Transponders are usually owned by all competitors, but NEMRR is providing participants with up to three free weekend transponder rentals when you get started.
- 4. Complete Forms.** Please print the information in the blank spaces provided. It is important that you print clearly and precisely as most of the errors are not “typo” problems, but the results of our inability to read the forms. Do not abbreviate city names. All of the information on the forms is required – please do not leave blank spaces.
- 5. Signature.** For insurance purposes we must have signed originals. Please send these forms in **unsigned** and we will print them out and have you sign them when you come to registration at your first event.
- 6. Applicants under 18.** Youth riders must have a signed notarized release form from **both** parents or legal guardian on file with NEMRR before they are allowed to ride. All youth must have at least one parent or legal guardian present at all times at the event, and if one parent is not attending that parent must send a notarized release form with the parent who is attending. The minimum age for participation is 14, and all riders under the age of 16 must contact NEMRR at [admin@lrrsracing.com](mailto:admin@lrrsracing.com) for individual approval. The EVENT release form is found at this link: <https://www.nhms.com/documents/minor-waiver-form.pdf>
- 7. Super Street License Costs.** NEMRR Superstreet 2021 License fees are: \$67.50 if purchased prior to 7/1/21, \$47.50 if purchased between 7/1/21 through 8/31/21, & \$32.50 if purchased between 9/1/21 through 12/31/21. This is exactly ½ of a regular NEMRR/CCS license, and riders wishing to upgrade during the season may simply cover the other half of the entry cost. **If you sign up with Penguin, they will collect this charge, so you do not need to send any payment with this form.**
8. Enclose your check made out to **NEMRR** for the correct fee (or fill in credit card info)
