

# Sidetracked

Classic Rock  
from the  
70's & 80's

**Sidetracked** is a Northern Virginia based classic rock band playing all the songs we grew up on, loved, watched on MTV, laughed to, partied to, danced to, banged our heads to. **Sidetracked** plays familiar songs by Lynyrd Skynyrd, Led Zeppelin, Bob Seger, Poison, Whitesnake, and many more. Sidetracked keeps the crowd drinking and singing along until the end of the show, rocking out to all the guitar driven glory that is rock & roll.

## Band members

Ara – guitar – is like most guitarists and plays one note at a time - Cars and Guitars are a passion - Rum! - That being said, let's go listen to some good live music.

Kevin – guitar, keys, & vocals - He's got the rock star hair.

Jay – bass – world's okayist bassist, loves tank tops, does a mean bathroom remodel.

Chris – drums – Loves Shrimp, and Pulled Pork BBQ always Carolina style, but not on the same day. Baseball over Football any day! His kids are adamant that despite being a drummer and a pilot he's just not cool! Convinced if you don't like Led Zeppelin you simply can't be trusted.

### Sample Song List:
