

Sidetracked

High energy
guitar driven
party band

Sidetracked is a Northern Virginia based rock band playing all the songs we grew up on, loved, watched on MTV, laughed to, partied to, danced to, banged our heads to. **Sidetracked** plays familiar songs by Lynyrd Skynyrd, Led Zeppelin, Van Halen, AC/DC, Guns N' Roses, the Offspring, Blink-182, and many more. Sidetracked has played the Tally Ho Theater, as well as many local breweries and other establishments, and keeps the crowd drinking and singing along until the end of the show, rocking out to all the guitar driven glory that is rock & roll.

Band members

Jay – bass – world's okayist bassist, loves tank tops, does a mean bathroom remodel.

Kevin – guitar, keys, & vocals
- He's got that rock star hair.

Brent – The local hillbilly

Carter - Drums - Enjoys a good salmon salad. Has a strange affiliation with several college football teams. Can't play effectively without the sweet, sweet comfort of an oscillating fan.
