

## **Visual Bliss Co LLC Custom Order Instructions**

### **How to Place Your Custom Order**

**1. Upload your design or photo**

Use a high-resolution PNG or JPEG file. Transparent PNG files are recommended for best results.

**2. Choose your garment & size**

Select youth or adult sizing and your preferred apparel style.

**3. Select print placement**

Choose where your design will appear: front, back, sleeve, or pocket.

**4. Add notes for our print team**

Include any special instructions such as sizing preference, placement details, or color adjustments.

**5. Review before submitting**

Double-check spelling, sizing, and file quality before completing checkout.

**6. Approval process**

We review all designs before printing. If there are quality concerns, we will contact you before production.

*Copyright photos will not be approved without a release from the original artist.*

Production begins after design approval.
